

## ABOUT THE PROGRAM:

The focus of this program is on the introductory knowledge and skills needed for nurses to care for the newborn needing transitional or intermediate level care as well as the late preterm infant.

This course is designed to provide didactic education and in no way infers competency in clinical practice. NW PRN recommends the use of this program in conjunction with individualized precepted clinical experience according to the requirements of the individual institution.

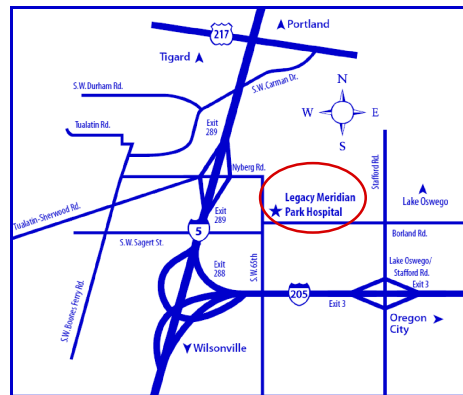

A continental breakfast and lunch are included in the cost of the conference

NWPRN is proudly affiliated with the Oregon Section of AWHONN: The Association for Women's Health, Obstetric and Neonatal Nurses.

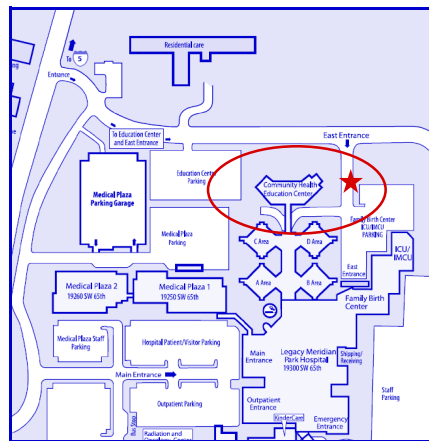

Provider approved by the California Board of Registered Nursing  
Provider #13755
