

ABOUT THE PROGRAM:

The focus of this program is on the introductory knowledge and assessment skills needed to care for the antepartum, intrapartum and postpartum mother/baby couplet. Registrants may sign up for either the complete course or sessions relevant to their learning needs. Note: Nursing area focus indicated for each day in outline.

Key **MB:** Mother/Baby
L&D: Labor & Delivery
Ante: Antepartum

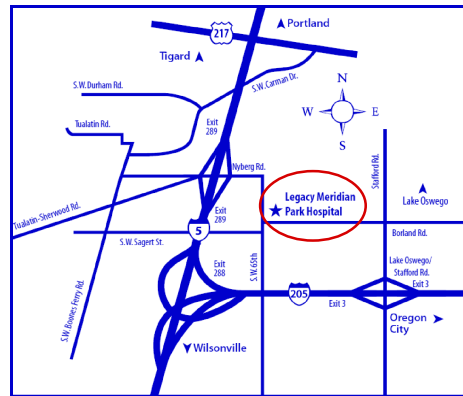

The course is designed to provide didactic education only, and does not certify competency in clinical practice. NW PRN recommends this program be used in conjunction with individualized precepted clinical experience according to the requirements of your individual institution.

A continental breakfast, lunch and afternoon snack are included in the cost of the conference.

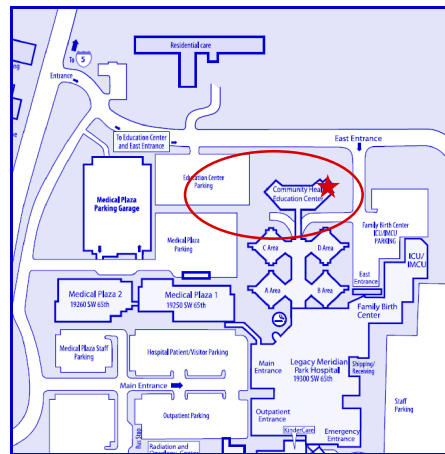

Provider approved by the California Board of Registered Nursing
 Provider #13755
